Also It-Worthy

Love is a four-letter word, and it inspired New York playwrights Dina Laura and Mina Radhakrishan's comedic debut, *on the rocks*. A raunchy, honest audience-pleaser, it's here for only one weekend. See *San Francisco's* blog for the lowdown. Nov. 13-16, \$18 in advance, \$20 at the door. Studio 250 @ Off-Market Theaters, 965 Mission St., SoMa, 800.838.3006.
